Lecile Harris' memoir, "This Ain't My First Rodeo," is a powerful and inspiring story of overcoming adversity and finding redemption. The book chronicles her journey from a troubled childhood to a successful career as a writer and speaker. Harris shares her experiences with honesty and humor, offering insights into the challenges and rewards of life.

Harris was born into a poor family in rural Texas. Her father was an alcoholic, and her mother was mentally ill. Harris and her siblings were often left to fend for themselves. As a young girl, Harris was sexually abused by a family friend. She eventually ran away from home and lived on the streets for several years.

Despite her difficult childhood, Harris was determined to make a better life for herself. She eventually got her GED and went on to college. She worked her way through school and graduated with a degree in social work. Harris then went on to earn a master's degree in psychology.

After graduating from college, Harris worked as a social worker for several years. She then decided to pursue her passion for writing. She began writing articles and short stories, and eventually published her first book, "This Ain't My First Rodeo." The book was a critical and commercial success, and Harris has since published several other books.

Harris is now a successful writer and speaker. She travels the country sharing her story and inspiring others. She is a passionate advocate for survivors of abuse and trauma. She is also a strong believer in the power of redemption.

"This Ain't My First Rodeo" is a powerful and inspiring story of overcoming adversity and finding redemption. Harris' journey is a testament to the human spirit. Her story is sure to inspire and motivate readers of all ages.
