***For they are part of the process / Of healing what's been broken”***

By acknowledging our pain and sharing it with others, we open ourselves up to the possibility of connection and support.

### **The Legacy of Love**

The final verse of the song shifts to a message of hope and resilience. Cunsolo sings about how the memory of her loved one continues to inspire and guide her:

***“Your spirit lives on in me / In every step I take***

***And I will strive to live a life / That honors all we shared”***

Loss may leave a void in our lives, but the legacy of love and the lessons learned can empower us to live more meaningful and fulfilling lives.
